Customer Reviews

This was or is nothing but a used library book! Not something I really wanted to buy, Wish I could return it.

Fine product. Thank you

This book has 55 napkin folding designs. Each design has a full color photo of the finished project and an illustrated design to show you step by step. This is a fun book to use for special occasions. I have had this book for years and it is fun to pull it out and let the kids pick a design and fold napkins for a special dinner (Thanksgiving, Easter, Birthdays. . .) It has a nice preface about history of napkins and some etiquette notes.
