The Horse Boy: A Memoir Of Healing

Synopsis

When his son Rowan was diagnosed with autism, Rupert Isaacson was devastated, afraid he might never be able to communicate with his child.Â But when Isaacson, a lifelong horseman, rode their neighbor's horse with Rowan, Rowan improved immeasurably. He was struck with a crazy idea: why not take Rowan to Mongolia, the one place in the world where horses and shamanic healing intersected? THE HORSE BOY is the dramatic and heartwarming story of that impossible adventure. In Mongolia, the family found undreamed of landscapes and people, unbearable setbacks, and advances beyond their wildest dreams. This is a deeply moving, truly one-of-a-kind story--of a family willing to go to the ends of the earth to help their son, and of a boy learning to connect with the world for the first time.

Customer Reviews

"Isaacson's astonishing memoirÂ reveals how, inspired by these rare moments in the saddle, he began a quest through Mongolia to heal his five-year-old son....Â Isaacson's journey to heal his son is just that, a healing, not a cure. But he wouldn't want it any other way. While the author's purpose was to draw Rowan out of his autism, he came to realize the overlooked gifts it entails. The Horse Boy will leave readers with a new appreciation for autism and the healing techniques of other cultures; like Rowan, they, too, will be changed forever."â •Bookpage"Everyone who is fascinated by the human-animal bond should read this totally engrossing book."Â â •Dr. Temple Grandin, author of Animals in Translation

Rupert Isaacson was born in London to a South African mother and a Zimbabwean father.Â Isaacson's first book, The Healing Land (Grove Press), was aÂ 2004 New York Times Notable Book.Â He has travelled extensively in Africa, Asia, and North America for the British press and now lives in Austin, Texas, with his wife, Kristin, and their son, Rowan.
