Best Recipes From American Country Inns And Bed And Breakfasts

Synopsis

The best crowd-pleasing recipes from widely acclaimed country inns and bed & breakfasts in the United States are collected in this unique cookbook and travel guide. More than 340 inns and 1,500 recipes are collected here, some from the finest chefs in America, while others represent the best in mouth-watering homestyle cooking. More than a cookbook, *Best Recipes from American Country Inns and Bed & Breakfasts* is organized alphabetically - state-by-state. It is a reliable guide to the inns themselves, including addresses, phone numbers, and a listing of activities available at each inn. There are two extensive indexes. One allows you to find the inns by city and state, and the other allows the reader to find any recipe or type of recipe quickly and easily. Kitty and Lucian Maynard have written two similar books, *The American Country Inn and Bed & Breakfast Cookbook*, Vol. I and Vol. II. These have been selections of Book-of-the-Month Club, the Better Homes and Gardens Book Club, and Family Bookshelf. The first book was featured on the back of Just Right cereal boxes. Reviews rave about the excellent, tasty recipes: "Everything we tried was terrific!" - Brunswick (Maine) Times Record "Many of these dishes are unique creations of the inn chefs and are not to be found elsewhere." - The Midwest Book Review "Chock full of mouthwatering recipes . . . a grand selection of entrees." - Levittown (Pennsylvania) Courier-Times

Customer Reviews

This is one of my favorite cookbooks in the world. There are 3 in the series and I own all 3! Great recipes - great results!!

I had purchased a book of the same title printed years earlier, with which our family was most pleased. However, my sister purchased the newer edition, which contained all of the recipes in the earlier printing....and MANY, MANY more!! The later edition is hard covered, only cost me \$11.50 and is like new. The recipes contained therein are wonderful, easy to make, do not contain dozens of spices that are not found in existing spice racks or other exotic ingredients. This is the BEST cookbook we've ever had....and the vendor's description of the book was exactly as described...LIKE NEW!! Purchased at .GREAT PURCHASE ALL AROUND. THANKS!

This book was given to me several years ago as a gift, but it got lost in our move. I ordered this one to replace it. This book is full of great hostess recipes. It's a great reference if you do much entertaining!

arrived in great shape

Gave this as a gift to my daughter who keeps borrowing my copy. The recipes are terrific.

Lots of great ideas for breakfasts

I first found this book on a bookshelf at a B&B in Dubuque, Iowa. I spent half of my stay with my nose in this book and ordered it for myself from as soon as I returned home. It has become my favorite cookbook and I highly recommend it to anyone who loves to cook....mostly breakfast/brunch recipes, but also lots of other surprises.

This is a very good,detailed book. It is arranged by state, so if you are looking for just breakfast items it might take a little while longer.
