Why have we not heard preaching from the pulpits telling us what Jesus gifted us with?! He has given us, His followers, His authority to take on the enemy and win. Dr. Kraft does an incredible job of showing us Truth and explaining not only that Jesus gave us His authority to make us free, but then explaining how we, the lay people, can incorporate it into our families, churches, schools and where ever we are. After this book, you must read Dr. Kraft's, "Defeating Dark Angels" and "Two Hours to Freedom," in which he carefully and step-by-step shows us how to implement this

wonderful knowledge. Dr. Kraft crafts his books to be real, blessed and so very informative.

This reading has alerted me to many areas in Christian lives that have not often been addressed by other books on spiritual warfare. Recommended reading for ministers, lay leaders, and any Christians who want to grow in their God-given authority. His writing style is informed but not too dense or scholarly. He engages the readers with scriptural reasoning as well as examples from actual ministry situations. There are many preconceptions and objections that he has to address, and he does so with a sense of humility but with the confidence of someone who has been in the battlefield.

Charles, if I ever have the privilege to meet you, thanks for writing this book. Many things were revealed to me as I read this book, practical yet powerful words of wisdom using scripture as the basis. As I've walked with Christ for a few years, books along the journey help supplement my growth in Christ (besides reading the bible), this is one of those books that many tips / tricks (aka experiments as you call them) to apply authority in my daily walk. Excellent book. Thanks for being bold in writing and sharing your wisdom God has given you.

Amazing. Heard about it at the Order of Saint Luke Conference from Father John Rice. My highlighter is marking it up everywhere.

I do not have this book .. I can not tell you about it... I never received it..

If I could give this book 10 stars I would!!! What an awesome compilation of information for those serious and ready to take back what the enemy has stolen!!! Mr. Kraft has written a great book to empower God's people to win souls, and set the captives free. It is easy to follow and full of important information backed up with scripture. This book has truly blessed me and has given me confidence to walk in the Power and Authority God has given me!!!

This book is loaded with advice on how to take back control over the dark forces of evil. It is an important subject that churches need to start talking about, to help Christians who need the freedom they deserve.

Awesome book. As a Christian you must know your authority and understand it. Mr. Kraft explains it

in a way that is easy to understand and speaks all truth.
