Customer Reviews

John Maxwell is the best leadership guru in the world! His stuff is always on point, and needed!

Good book

Love John Maxwell and this book has been so helpful.

Maxwell's is always terrific writing. Hundreds of people have written about mentoring. Maxwell gives the topic his usual good perspective, valued by readers worldwide. A thin book, this is a relatively quick read. It helps to round out what a lot of more technically-oriented mentoring books missed.

Great tool for mentors. Quick read. Good tips.

Great Read

This is not really a book as I expected it to be. Unlike other Maxwell books which tend to be lengthy and full of content, this one has a little over 100 pages, and the physical size is about 4" x 6". The topic is great, and the information is sound. I would have preferred a book with more content though.

I was hoping for more in depth information. But this was very helpful. Love John Maxwell books. That's all I've got.
