Customer Reviews

I was expecting much more based on the reviews. This book had a lot of grammatical errors for starters. 2nd it focused a lot on the "what" and not enough on the "how." This made it difficult for me

to totally understand or implement the strategies. It talks about some of the features such as Instagram stories but for someone like me who does not know what that is, I would expect more explanation so that I can understand the benefit as well as how to use create some of the functions such as polls

Instagram is getting more popular every day and it is a perfect tool for taking your business to the next level. I love this book as it covers all aspects of Instagram marketing. It will teach you exactly how to up your Instagram game and get your business well known through Instagram.

My main struggle with Instagram was generating more useful content for my business and to not be stuck with the same type of boring pictures. I've got great day to day posting tips in this book, so I can definitely recommend it!

I was starting an online business and I stumble upon this amazing book. As a business, we need to use Instagram as a marketing tool. This is essential to business growth and this book is a great way to start. Recommended...

So helpful to use as a starter guide to grow your engagement on ig. I i already have gotten 4000 more followers since i read it but more than anything I feel like I know what I'm doing now

Good tips for making a profitable Instagram account. The book is not big but advices are good. I found some interesting ideas, I guess I will try to make one.

This is a great introduction to marketing on Instagram. Definitely covers all the basics of how to grow and build your business using social media. This will be very helpful in growing my page @sleepingdogs even more!

If you want to bring your business in Instagram to a new level - I recommend you to pay attention to this book. The methods of attracting the audience that described in it, are still working. But no one knows what will happen tomorrow. The world of digital is changing rapidly, so grab this book and have time to squeeze out the most opportunities now available!
