This is an outstanding study guide, and it helps you to delve into your relationship with God and Jesus.

I have really enjoyed this series of Bible studies!

My bible study group picked this and it is a nice study.

Good, well written study. Some of the questions are a bit mundane but in general most of the questions produced thoughtful discussion among our small group.

Good teaching material, challenging questions.

I think every Christian should be involved in a small group Bible study, if possible. These Lifeguide Bible Studies books are wonderful for that, or even a personal study. Our small group recently started this Meeting the Spirit study, and are learning a lot. Seems to be right in line with God's Word. Highly recommended.

Thanks so much for your prompt service. I love the Lifeguide Bible Studies and you are a great group to order from.

Our women's study group has just begun using the book. After discussing chapter one I would recommend this Bible Study. We had a good discussion.
