My third year buying this Calendar, a must have if you are a quilter. Would make a great gift for any quilter.

I bought this for a friend for Christmas. She had received one the year before and we both loved to see the new pattern each day.

I got a 2009 quilt calendar as a gift from a friend and I really love it. Just changing the daily pattern is so cool and I can view it on my desk all day. I was also wanting to know , where can I get another 2009 calendar for my special friend? she's looking for one and I would like to give her one as a gift. Thank You, Carol Meeker

This is an annual gift with other quilter friends. We have all enjoyed receiving this as a gift, and look forward to the next years patterns and blocks. It's a great gift.
