I just returned from a trip to Lutherland where I used this guide every day. Originally I had just wanted to get a little intro to the area. It turned out that our trip with a guided tour got cancelled and we did the tour on our own with a rental car. I used this guide to plan the entire trip, and highly recommend it.

Nice concise review of all the attractions to be seen. Nice photos and maps of all cities included. Very helpful.

More than I expected. Good history backgrounds.

Fast shipping, great book, exactly what I wanted.

will help for my trip to the area next June
