DK Eyewitness Travel Guide: Great Britain

Synopsis

DK Eyewitness Travel Guide: Great Britain takes you by the hand, leading you straight to the best attractions England, Scotland, and Wales have to offer. DK's insider travel tips and essential local information will help you discover the best of Great Britain, from the famous landmarks in the hearts of the capital cities to the day trips around the countryside. See Big Ben from the London Eye, enjoy a pint on the sidewalk outside a pub, discover the mysterious and magnificent Stonehenge, and explore fairytale castles. Discover DK Eyewitness Travel Guide: Great Britain. • Detailed itineraries and "don't-miss" destination highlights at a glance. • Illustrated cutaway 3-D drawings of important sights. • Floor plans and guided visitor information for major museums. • Guided walking tours, local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area. • Area maps marked with sights. • Detailed city map of London includes street finder indexes for easy navigation. • Insights into history and culture to help you understand the stories behind the sights. • Hotel and restaurant listings highlight DK Choice special recommendations. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Great Britain truly shows you this region as no one else can. Recommended: For a pocket guidebook to London, check out DK Eyewitness Travel Guide: Top 10 London, which is packed with dozens of top 10 lists, ensuring you make the most of your time in the city. Series Overview: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more. DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." — Chicago Tribune
"The best option | Color photos, maps, and diagrams bring the place to life." — The Philadelphia Inquirer

DK Eyewitness Travel Guides are well known for their pages of glossy pictures, illustrations, breakaway diagrams of important buildings and sites, and lots of small maps. This brand new 2016 guide to Great Britain is all that and then some. Great Britain offers astonishing variety to the traveler who plans ahead, and this hefty little guide may be all the resource most travelers need to plan a great visit. The guide opens with an introduction to Great Britain, followed by chapters that deal with each geographic region of the country. Wales and Scotland each get a chapter. The last sections offers some practicalities on traveling in Great Britain (trains, planes, and automobiles, anyone?). Great Britain offers a variety of opportunities for recreation, for exploring the Scottish Highlands or the Lakes District, for touring centuries-old historic sites, for world class shopping and entertaining, to the delights of London, one of the world's great cities. For example, one diagram of Southeast England shows the homes of a dozen different historical figures, all within one to two hours of London. Another two-page feature describes the mysterious ancient ceremonial center of Stonehenge, along with half a dozen other nearby prehistoric sites. Still another feature dissects the attractions of the Royal Mile in Edinburgh, Scotland. There is a lot to like in Great Britain, and this Eyewitness Guide is a great way to sort it out. The listings of places to stay and to eat are admittedly a little limited, but nothing a little web browsing won't cure. Recommended.

this is a well thought out and well designed series. if you are looking for a serious travel guide with wonderful detail and many pictures as well as descriptions, look no further.

Eyewitness Travel is, in my opinion, the best guide out there. The photographs are outstanding, the attractions recommended are amongst those most relevant to my bucket list and the reviews of the

restaurants and lodging are spot on. Delivery time was exactly what was stated.

I purchased this for a recent trip to the UK thinking it would be a good resource to give us some ideas about the areas we were visiting. I have been to the UK many times before, but figured this updated book would be very helpful. It was not. We quit using it after the second day. To be fair, I think it is not really a fault of the book, but given the size and enormous volume of various spots to visit within the UK, the book can only cover so much. If the area or attraction is even listed there is scant information about it. It is certainly not helpful for accommodation or food choices. We also purchased a large map book of the UK and this was far more helpful as it listed attractions directly on the map. My advice would be to steer clear of a general 'Great Britain' guidebook and if desired, purchase a guidebook for the very specific area you are visiting.

Once you use one of these book to plan a trip you will never purchase Fodors again. Their tag line, "the guides that SHOW you what other guides only TELL you" is brilliant. Threw out my collection of Fodors that we habitually collected over the years.

Beautiful graphic overview of cities and sites. Chock full of photos and drawings. This book is what sold me on a trip to Great Britain!

An excellent travel guide.

Best must have travel book. WE travel to UK often and this is our #1 reference. Outstanding shipping. The pictures are super valuable.
