Customer Reviews

My daughter loves to tell jokes and make people laugh. She reads this at night before bed and then

when I go into her room, she tells me a joke (or 2!) A lot of these jokes are geared towards older children (my daughter is 6); thus, my daughter doesn't understand a lot of them. But the ones she does, she laughs at.

Colorful, well illustrated book of jokes, riddles, etc. I bought it for my 5 year old grandson, Some of the material is written for older children; hence, I gave it four stars. We subscribe to Highlights magazines and buy their books, but this one isn't my favorite.

Cute kid jokes. My six year old son enjoyed it.

Perfect for my 7 year old.
