Totally God's: Every Girl's Guide To Faith, Friends, And Family (BTW, Guys 2!)

Synopsis

Society's expectations for a teen girl's beauty, achievements, and attraction cause great stress and struggle. "Our hearts are truly on the line," says Megan Clinton, high school senior and coauthor with her father, counselor Tim Clinton. This father and daughter duo reveal to today's teens how their deepest longings are met when they rest in being God's girl. Using teen-speak, comments of peers, Megan's diary entries, as well as solid, biblical teachings, Megan and Tim show every girl how to upgrade uncertainties of fitting in with the certainty of belonging to God. Impure sexual behavior with body confidence and self-worth, relationship, school, and family life drama with God's control. This engaging resource reveals the freeing truths every girl needs to know--and the truths that all parents, teachers, and mentors need to uphold as the standard for how they treat and inspire God's girls.

Used this in a Freshmanbin HS small group. It was very good for the girl. They enjoyed reading it and discussing it together. Also very easy reading so the girls were able to get through it easily and quickly. I would recommend it.

Really insightful and down to earth. I would definitely recommend it to all my girlfriends to have a copy of it.

This book was truly a game-changer for my daughter. She read it as a middle-schooler, and it really helped her understand that her value and worth in God is much more important than in the eyes of man. This book solidified her courage to stand out from the crowd. She is now entering her senior year of high school, still "Totally God's" and loving her teenage life!
