Customer Reviews

When Pete wakes up on Easter morning, he finds that the Easter Bunny needs his help! Read along to find out if Pete can help the Easter Bunny before Easter is over! This story comes complete with a poster, punch-out cards, and stickers.

James Dean's art has sold in more than ninety galleries and shops across the United States. He has devoted his paintings to Pete the Cat for fifteen years and has turned his natural love for cats into his life's work. James published his first adult book, *The Misadventures of Pete the Cat*, a history of his artwork, in 2006. He illustrated his first self-published children's book, *Pete the Cat: I Love My White Shoes*, in 2008, and the follow-up book, *Pete the Cat: Rocking in My School*

Shoes, in 2011. James lives in Savannah, Georgia, with his wife, four cats, and one dog. You can visit him online at www.petethecat.com. James lives in Savannah, Georgia, with his wife, four cats, and one dog. You can visit him online at www.petethecat.com. In 2004, Kimberly & James Dean sat down at their kitchen table to work on a children's book together. Their dream finally became a reality with the release of *Pete the Cat and His Magic Sunglasses*. Both left corporate jobs in the late nineties (James was an electrical engineer, Kimberly worked in the press office of the governor of Georgia) to pursue their passion for art, and they have experienced a life made up of strange and wonderful coincidences ever since. Pete the Cat has brought magic into their lives. They work in side-by-side studios in Savannah, sharing their home with five cats and Emma the pug.

My thoughts on this Pete the Cat Easter book: Don't buy it. Half of the book is taken up by a fold-out poster, 1 sticker sheets, and 3 tear-away sheets of Easter cards. If you really WANT a poster and 1 sticker sheet and cards, maybe it's worth the price for you. The story itself? Short and anti-climatic. Pete wakes up to a note from the Easter Bunny asking for help. Pete dresses up like a bunny, finds eggs, paints eggs, hides eggs, then the Easter Bunny shows up and says, "Good job." The End. The book doesn't have the rhythm and flow that other Pete books have had. The author -almost- had something going with this line: "A cat with ears like a bunny - now that's funny!" This line was repeated once 2 pages later "A cat dressed up like a bunny - now that's funny!" The book could have continued with this theme, showing all the funny things Pete was doing while he played Easter Bunny, and the kids could shout "NOW THAT'S FUNNY!" But no. This almost-brilliant idea petered out really quickly. What's missing? Eric Litwin's songs. A good storyteller can make almost any book engaging for kids, but it's certainly helpful when authors and illustrators like James Dean and Eric Litwin combine forces unleash their creative genius on the world. Pete the Cat was an overnight success with the combination of simple and fun stories that involved children in the telling of the stories, whimsical illustrations, and best of all: Eric Litwin's songs. Singing the first few Pete books and acting out some of the motions really made children come alive, and made story time something magical that they looked forward to. With that said, I've been disappointed with the Pete

the Cat books that Eric Litwin has not worked on. No song? The singing is what made Pete so spectacular! It was a gimmick that really worked. I understand the lack of song in Pete's early reader books, and those early readers are chosen by parents and kids because they have a recognizable character, just like any other early reader with a favorite character. However, none of the newer picture books have companion songs. It's clear that Eric Litwin is done with his Pete the Cat song-writing. The illustrations are still cute, but the stories have become lackluster without memorable prose. There's hundreds of other picture books out there with great illustrations that have more engaging stories. It feels now that James Dean (and more recently his wife Kimberly) are just capitalizing on the character of Pete, with less thought about writing a story that really grabs the attention and imaginations of kids. My own girls are 7 and almost 9. Even though they have both advanced in their reading level beyond picture books, we still often come back to our favorite picture books when we sit down to read together. They both still choose Pete on a regular basis, but they choose one of the 4 titles that have a companion song: I Love My White Shoes, Rocking in My School Shoes, Four Groovy Buttons and Pete the Cat Saves Christmas. Our other Pete books sit collecting dust. Time to donate them to the library.

My 3-year-old loves Pete the Cat books and is pretty much obsessed with the White Shoes book and Pete's Wheels on the Bus. We also have the Pete Saves Christmas for holiday bedtime. I figured the Easter book would be right along the same lines as the Christmas one. Not so much. The Christmas one rhymes decently and has a little song (though cheesy) that runs through it. It also has the all-important VW bus that hipster Pete drives. This book doesn't have much of the groovy stuff of the other books and is somewhat blah. I hate to say that I expected more from a children's book about a spazzy-looking cat, but I kind of did. So, does it get the bedtime job done? Sure. Does it do it with rock 'n roll style? Nope.

My daughter is pretty obsessed with all the Pete the Cat books and honestly they're all a perfect addition to our nighttime routine. I saw this one was cheap AND hardcover and got excited. The excitement didn't stop when we received the book considering I had no idea there were Easter cards, a poster, and stickers included.... My daughter was over the moon and we immediately took out the cards and wrote them out for all her friends.

My 6yr old daughter will love it. She will be very happy Easter morning. It is great quality, sturdy, and a hardback. It comes with stickers and Easter cards for kids to decorate.

Great book both my 7 and 8 year old Loves it. Teaches helping others an the rewards an happiness that comes with it. Awesome

whats not to love about pete the cat!? my son loves this book. such a good add for our home library!

I love Pete the Cat! But the meaning of Easter is not to help each other out.... I understand if you don't want to get religious, but I've never heard of that definition before.

We own all the pete the cat books, and this one is great. A wonderful addition to the collection! We read it year round (no shame). My 7 year old picks this one a lot.
