Customer Reviews

I bought this book because I am a health conscious person and I'm always looking to expand my knowledge in the area. The greatest benefit to this book is its versatility. There are just -so- many recipes for my different moods, tastes, desires, events, etc. My favorite is the shepherd's pie! It turned out really well and the instructions were pretty straight forward. Another benefit is intrinsic to the Paleo Diet: these foods are so common around the world. I travel often and being on the Paleo Diet makes consistency in one's lifestyle realistic. My only criticism would be that the book should include pictures! The meals -sound- so delicious, but the experience loses something when I can't -see- what I'm about to cook. Overall, I would recommend this book to a new practitioner or a veteran as well as the traveler. This book will stay by my side when I go grocery shopping next week!

New to the Paleo diet I wasn't sure what to expect and so i had a lot of unvaried, boring and bland food for the first few days. Just as i was about to throw in the towel, i came across this book! Packed full of wonderful recipes with great flavours and yet ingredients that everyone can get a hold of!! Definitely recommended to anyone wanting a diet that works but needs a bit of inspiration! A fantastic book!

I would put 5 stars to this book as I liked many of recipes there, and will definitely use them in my diet. The first meal I want to try is banana pancake....mmmm, as I eat bananas everyday . Would be interesting to try what I found in this book. Thanks!

These recipes seem realistic, made with ingredients most of us have on hand. Thank you!

I like the healthy part but love the easy part. Five stars!

Love it!

I've been reading paleo books like it's my day job lately and this phenomenal book is by far one of the best i've ever read. Sandra Williams really knows what's she's talking about and she guides the reader along 30 amazing recipes. number 3 is the best in my opinion!
