Nora Roberts Dream Trilogy CD Collection: Daring To Dream, Holding The Dream, Finding The Dream (Dream Series)

Synopsis

Daring to DreamMargo Sullivan had everything a young woman could ask for. But while growing up along the rocky cliffs of Monterey, she couldn't help but dream of bigger things. The daughter of the Templeton's stern Irish housekeeper, Margo had been treated like a member of the family. Deep down, she knew that money could not buy the one thing she craved most—her mother's acceptance.Holding the DreamKate's dreams were fueled by a horrible secret—. Her childhood had been a lie. Her father had been a thief. Kate Powell had been orphaned at an early age, when she had, essentially, watched her parents die. Her family had been taken away, but she had been given another. The distant kinship didn't matter to Thomas and Susan Templeton. They had taken her in, raised her as their own, given her a home and love. And now, twenty years later, she has learned the truth from a colleague of her father.Finding the DreamLaura Templeton found out the hard way that nothing in life is guaranteed. The daughter of a wealthy hotelier, she had always known comfort, privilege, and security. But by the age of thirty, her storybook marriage had been destroyed by her husband's infidelity. Laura's divorce left her both emotionally and financially devastated—but determined to rebuild her life without the help of the Templeton fortune—.

Customer Reviews

Nora Roberts is the number-one New York Times-bestselling author of more than 190 novels, including *The Search*, *Black Hills*, *Tribute*, *High Noon*, and many more. She is also the author of the bestselling futuristic suspense series written under the pen name J.D. Robb. Roberts has more than

400 million copies of her books in print.

I've read this trilogy at least a dozen times or more over the past 15 yrs or so. Its one of my favorites. Especially this last book. Talk about a man who will make your mind..body...and spirit soar. Its Michael. Every girls dream "bad boy" but more.This whole trilogy is life affirming. No matter what horrors or difficulties we may face through life if we can just take in breath by breath..we will come out the other side and life can and will be Good again.

This Trilogy isn't my favorite of Nora's. I found that these characters really didn't grow much and maybe it's because it's dated...but I couldn't connect with any of the characters.I really tried to get into these characters and they fell flat to me. I get where these women are coming from and I can understand why they do what they do...but overall...I really didn't care about any of them...so it made this trilogy for me, at least....bored and uninspired.

I read this on books on tape! And was one of my first Nora Roberts books that got me hooked. Liked it so much that I got in on CD. I loved it just as much the second time around and will probably listen to it again. Love the way she develops her stories and a trilogy is even better when she's doing it on purpose! Her characters are hard to say goodbye to and so when I know I have another and another of the same people to look forward to, that is a five star-er for me!

The Dream series does not disappoint Roberts' fans. The story of three young girls living under the same roof of the Templeton Mansion, one the maids daughter, one adopted and the daughter who knows her responsibility as a Templeton. The story follows the women from teen years to each finding the Dream and love they deserve. I could not wait to finish each book and see what had happened to these strong women who had an unbreakable bond and friendship. Nora is one of my favorite writers and she did not let us down.HMJDiscovery Bay,CA.

These were quite abridged from the actual books. I enjoyed them a lot though, good vocal quality and clear directions when it is time to switch discs.

I just reread it because I recently visited Monterey. It really made the book come alive. The books are not up there with the "Born In..." or Quinn Brothers books, but they're enjoyable reads. They're sure dated, though. When they talk about this fabulous house on the cliffs and are in awe of the

\$350,000 price tag, you know it's old.

One of my all time favorites of Nora's book series! The characters connect through all three stories and the way Nora weaves the plots and characters together is just perfect!

I cannot believe I missed this trilogy. Glad to have found it and a good read. I saw reviews where some folks did not like some of the characters, but how often is anyone perfect. I thought the whole Seraphina's treasure thing was a little weak, but enjoyed it anyway. Love Nora Roberts and thought I had read everything she had written thus far. Nice to find a treasure of hers!
