Tolle's message is simple: living in the now is the truest path to happiness and enlightenment. And while this message may not seem stunningly original or fresh, Tolle's clear writing, supportive voice, and enthusiasm make this an excellent collection for anyone who's ever wondered what exactly "living in the now" means. --This text refers to an out of print or unavailable edition of this title.

Eckhart Tolle Spiritual teacher and author Eckhart Tolle was born in Germany and educated at the

Universities of London and Cambridge. At the age of twenty-nine, a profound inner transformation radically changed the course of his life. The next few years were devoted to understanding, integrating, and deepening that transformation, which marked the beginning of an intense inward journey. Later, he began to work in London with individuals and small groups as a counselor and spiritual teacher. Since 1995 he has lived in Vancouver, Canada. Eckhart Tolle is the author of the #1 New York Times bestseller *The Power of Now* (translated into 33 languages) and the highly acclaimed follow-up *A New Earth*, which are widely regarded as two of the most influential spiritual books of our time. Eckhart's profound yet simple teachings have already helped countless people throughout the world find inner peace and greater fulfillment in their lives. At the core of the teachings lies the transformation of consciousness, a spiritual awakening that he sees as the next step in human evolution. An essential aspect of this awakening includes transcending our ego-based state of consciousness. This is a prerequisite not only for personal happiness but also for the ending of violent conflict endemic on our planet. Eckhart is a sought-after public speaker and teaches and travels extensively throughout the world. Many of his talks, intensives, and retreats are published on CD and DVD. Most of the teachings are given in English, but occasionally Eckhart also gives talks in German and Spanish. In addition to *The Power of Now* and *A New Earth*, Eckhart has written a book designed for meditative reading entitled *Stillness Speaks*. A book consisting of selections from *The Power of Now* entitled *Practicing the Power of Now* is also available. For more information on Eckhart Tolle, please visit eckharttolle.com.

The person I bought this for was delighted to be given this useful guide to a happier way of being. Having read the book previously, she told me that this audio collection helped her through a difficult time in her life, and it was easy to access the wisdom therein during her commute to work and back. I thoroughly benefitted from reading the book myself and would read it or listen to it again. I found it life expanding, thought provoking and comforting.

Excellent for listening when resting\relaxing. very useful information\philosophies.

They are great while driving - A super learning tool.

All that I hoped for. Audio was excellent.

I have listened to these CDs over and over again - and I recommend you do too. Each time I hear

something new and powerful. Eckhart is truly a spiritual director pointing the way for each of us.

Excellent audio collection. Absolutely fantastic to listen to when driving. Delighted I bought it.

It has changed my life thank you Eckhart for your dedication to help people change their lives.

Eckert Tolle can be difficult to understand at times for me and particularly so with his talk on The Pain Body. His CD on that subject made the Pain Body all the more easily understood.
