Customer Reviews

Wow, what a creative mind of the author. I have purchased it for my children and read it along with them, it's really a wonderful story. It was worth buying it for my children, and my children are now a very big fans of Ender king's stories and now they are forcing me to buy another books of him. Really it's a very good stuff to read. Hats off to the author.

I freshly bought this book for my 10 years old nephew and as I read this book along with him, he couldn't stop chuckling. It is really an exciting book. I'm really impressed by the writer and his creativity. After reading this book I've become a fan of the writer Ender king and truly looking forward to reading more of his books. It is really wondrous.

I have always been an Ender King fan, and closely follow many of the right ups. Anyone may say

this is addictive, but I just found this release hilarious. Thinking that I was getting it for my kid, I found myself running through the pages and wondering how this Amateurish 6th Grader pulled off his daily routine that was full of activity and adventure.

Another wonderful installment in the series brought to us courtesy of Ender King. A captivating insight into a very funny story. I highly recommend this story to any Minecraft fan. I loved this story! It was funny and so creative. Definitely a must-read if you're as big a fan as me of these stories. Nicely done.

I am a big fan of Minecraft series and this book is just amazing. It is a great adventure story and I had a great time with my kid reading this book at night time. Simply superb and amazing. Loving this book very much.

Yeah it was an amazing piece of book to spend my time reading it. I like the build up of the story. It was fun to experience Ender King sublime work again. I love this book and I recommend it to everybody.

Very nice read. I read it out for my kid and we had a great time together. Very entertaining story, simple narration for kids. Thanks to the author, I am big fan of your work

Ever since we stumbled upon the Minecraft series with my small brother, it has been a marathon reading every book that comes out. Please Ender keep them coming.
