## Customer Reviews

We have several Thinking Tree books so when I saw this, I decided to get it for my 13 year old who loves fashion and drawing. She is enjoying both the blank pages and the pre done dress outlines, and likes how there are many different styles to choose from and customize herself. Definitely a winner for a fun way to do art!

It is a tiny coloring book that my daughter who is almost 12 LOVES. She pulls it out a few times a week and enjoys making designs on the outfits.

Does your child love to draw designs for clothing? This is a simple book with pre-drawn dress forms which enables your child to create the pattern of the fabric. It's a perfect size to take anywhere! We sometimes use it when the kids sit in "big church" with us. My 10 year old daughter loves this book.

My 6- and 10-year-olds love to design dresses. This book has many different styles of dresses that they can color and design to make unique dresses.

much smaller than expected, my daughter likes it but her gel pens bleed through

My 6 year old loves it! Don't let the word 'teen' put you off.

My 6 and 16 year old each have one and enjoy doodling in it.

What a great book. My daughter loves designing and coloring dresses in this book. She is very inspired.
