Vocabulary Power Plus For The New Sat: Vocabulary, Reading, And Writing Exercises For High Scores, Book 4

Synopsis

Intended for 12th grade. Your students will score higher on the SAT once they've used Prestwick House's Vocabulary Power Plus for the New SAT, the only program that addresses all of the revisions in the test without compromising the vocabulary studies students need. Each unit alternates focusing on the critical reading and essay portions of the test with questions focusing on sentence completion, reading comprehension, inference, essay, root practice, and more. Review units ensure your students will remember what they've learned. Why should you use Vocabulary Power Plus? You'll save time because you won't have to write vocabulary lessons from scratch. Reading passages similar to those on the SAT* help students learn words by examining their contexts. Multiple exercises reinforce the meanings of words to students, fostering long-term knowledge. Your students will learn more than 200 new words in each book. You'll tackle vocabulary instruction and test prep with one resource. *SAT is a registered trademark of the College Board, which was not involved in the production of and does not endorse this product.

This is a classroom edition for students. Tests and Answer Keys are available from the publisher, but are sold only to schools and teachers.

Good vocabulary builder and inferencing practice. Several typographical errors and no access code to an answer guide. Not a problem - my students and I defend our answers and agree upon the best. We're just curious to know the author's answer!

Great book. Arrival time was within a few days. Very, very pleased.

I have 2 students using Books G and H. Now, one is moving to High School, and these will be SO useful.

There isn't much I can say about this book besides the fact that it was in perfect condition when I received it and I received it as quickly as possible. I am very happy with the quality of the item I received from this seller and I highly recommend buying from them.

The item was received exactly as estimated in pristine condition. Very happy about my purchase.

As described and very helpful to my daughter for school, this book was exactly what she needed for her class

Thanks for your help! The purchase went very smooth. I'll be back in the fall for the next addition.
