Sydney resident Marc Llewellyn is one of Australia's premier travel writers and the winner of several writing awards. He is the president of the Australian Society of Travel Writers. He's written two travelogues; *Riders to the Midnight Sun* tells of his journey from the Ukrainian Black Sea to the Russian Arctic on a cheap bicycle. His latest manuscript, with the working title *Islands of the Winds*, tells the story of a year working as a peasant farmer and shrimp fisherman on an island off Sicily. He is the coauthor of *Frommer's Australia*. Lee Mylne has spent almost all her working life as a journalist " in newspapers, magazines, and radio " and has travelled to more than 40 countries. Born and raised in New Zealand, she has lived in Australia since 1986 and is currently based in Melbourne. In 2006, she was awarded Life Membership of the Australian Society of Travel Writers, of which she is a past president. She is the coauthor of *Frommer's Australia*, the author of *Frommer's Portable Australia's Great Barrier Reef*, and a contributor to *Frommer's Dream Vacations*. She is also the coeditor and a contributor to the anthology *Best Foot Forward, 30 Years of Australian Travel Writing*.

The shipping was fast. But the book was kind of a disappointment. I think that because it didn't talk a ton about all of the attraction is was mainly hotels and restaurants.

Really helped on my trip.

I was dubt to buy this.

Good primer for Australian travel but a bit dated

Love it

This is a simple, to the point book for those who want to travel to Australia, not relocate there. It arrived in good condition in a timely manner.

This guide seems to be decent enough (we haven't gone on our trip yet), but I already had a Frommers and wanted to get another point of view and found that this book is identical to Frommers in many sections, (the 'where to stay' is identical, because I usually figure that out first when planning a trip, I may discover other sections later). There is a banner on the cover regarding a contribution from Frommers, but that doesn't stand out when buying on line. Bottom line is: Buy either this book or Frommers, but not both.

I bought this book to help me navigate preparations for the trip I'm taking to Australia in the fall. This book contains a wealth of information regarding getting to the various parts of Australia, what travel documents you need to enter the country, and numerous links to websites for more detailed information. The book is divided into sections by state. Each state section has a good deal of information about the area, including places to stay and to eat, and things to do or see. I'm very glad I bought this book, because having read it, I feel more prepared for my upcoming trip.
