Great book. Love the set up (some pictures, some drawings). Informative without being tiring, engaging and practical. It doesn't go to too great a detail as it covers many islands, but it does cover quite a bit for each one. Restaurant recommendations, accommodations, history, sights, day trips, athletic excursions, shopping, etc. Would highly recommend.

This was a lifesaver on my recent trip to Athens, Crete (Heraklion), Mykonos, and Santorini. It highlights details of what you should see and do, along with informative photos. I've also used the DK Eyewitness Guides on trips to Egypt and New Orleans. Highly recommend.

If you want an intense guide with lots of detail, this is the one for you. We always get one of these with a more general guide

Another great Eyewitness Travel Guide! Love their guides and all the photos they include.

Good info about Greece, but I was hoping for recommendations on transportation, restaurants, etc. If that's what you're looking for, this is not the guide for you.

Concise and complete, this is the go-to guide for the Greek islands and coast of Turkey.

Great Book!! Came as expected.

Very pleased. Thank you!
