A Book Of Songs And Blessings (Az Yashir Moshe)

Synopsis

A Book of Songs and Blessings (Az Yashir Moshe) is an exquisite and complete book of traditional Jewish songs and blessings, perfect for the sabbath or holiday table. Unlike other "benchers," Az Yashir Moshe contains full translation and linear transliteration of every word of every song and blessing. Originally created by students at Yale University this revised second edition also contains the most extensive set of traditional "zmirot" available in any bencher, musically notated niggunim, and 25 pages of Israeli songs. It is also set in custom-made fonts with attention to detail, readability, and beauty. In sum, Az Yashir Moshe is the most complete "bencher" available today.
