Wicca For Beginners: A Simple Guide To Witchcraft, Magic, Rituals And Wiccan Beliefs (Dayanara Blue Star Books)

Synopsis

Wicca is a term that was preferred since it is a neopagan form of witchcraft. Wiccans believe in the universal elements of air, fire, water, spirit and earth. These are elements that make up the Wiccan symbol of the pentacle. Wiccans have a belief that energies are both female and male and these energies are separate in their identities as well as powerful in their union. However these energies are honored equally. Many who practice Wicca usually identify with a particular deity, while there are other wiccans who will call on a God or Goddess who has the relevant powers for their particular spell only. Many people follow Wicca because there are no rules. But the Wiccan rede states that "An ye harm none, do as you will". This is a simple message that states that you are free to do as you wish as long as you do not cause hurt or harm to anyone. In this book you will learn:
