I Thank God For This Day! (VeggieTales)

Synopsis

Join Junior, Laura, and Annie as they enjoy a sunny day in the park with friends and family. And share in their delight as they express gratitude for the many blessings God gives us. Based on the popular VeggieTales Thankfulness Song, and filled with a familiar cast of Veggie characters, this bright, joy-filled book will help children recognize that there are many reasons to be thankful each day. Ages 2-5.

Customer Reviews

Join Junior, Laura, and Annie as they enjoy a sunny day in the park with friends and family. And share in their delight as they express gratitude for the many blessings God gives us. Based on the popular VeggieTales "Thankfulness Song" and filled with a familiar cast of Veggie characters, this bright, joy-filled book will help children recognize that there are many reasons to be thankful each day.

As co-creator of the popular VeggieTales series, Phil Vischer has served as writer, director, and voice for more than a dozen characters, including Bob the Tomato. Phil's faith-filled VeggieTales stories can be found in a third of all American homes. Vischer and his wife, Lisa, live in the Chicago, Illinois, with their three children.

-Loved by Kids: We have this book in the church nursery (2 years old and under), and it's very popular. It also became the favorite personal book of a 9-mth-old boy I sat for. I just ordered 2 more copies for 2 sets of expectant parents.-Button is easy to push, even for infants: A lot of sound books have flat buttons that can be a little challenging for infants/toddlers because they have to be pressed in a certain spot. This has one big button that "goes in" when pressed, so it's easy. 9-month old boy loved it & kept pressing it on his own.-Song is sweet and doesn't get annoying even after hearing it 10Ã¢â€žâ¢ in a row (9-month old kept playing it over and over in his carseat until he fell asleep): Note: if a child keeps pressing the button while the song is playing, it will not re-start or stop, but will continue with the song until it's over. I think that's better because it could get annoying to keep hearing an interrupted partial song. On the other hand, I returned the "God made You Special" Board book, even though I liked the book itself, because I felt that the song was already annoying after a few times. (I love Jr. Asparagus, but the song in that book was rather high and screechy).-Good message about counting our blessings and being thankful: I can't recall all of the lyrics at the moment, but I think that the book pages list (&illustrate) all of the lyrics from the song in the Madame Blueberry Veggie Tales video while the button just plays the chorus. I think it's close to:
Because a thankful heart is a happy heart.
I'm glad for what I have
That's an easy way to start
For the love that we share
Cause He listens to our prayers
That's why I say thanks every day
NOTE: If the song starts to sound watery and creepy, it's because the battery is dying, not because there's an issue with the book. It was fine after we changed the battery. (It takes 3 AG3/LR41 batteries which come included inside the book). Board book is sturdy/thick and smooth, which makes it easy to wipe down.

My 12 month old loves this book, it's his favorite. BUT it came w/batteries that were almost dead so I had to get replacement batteries immediately which cost \$12, just as much as the book. I have \$24 invested in a brand new book that's not worth more than \$10. Besides the battery issue, we love it.

My daughter loves this book!!

This is my second book. The first one got worn out after 2 1/2 years of playing songs and being handled by my Grandson Eli. Now the second book is part of our next Grandson Isaac. The song is like gratitude prayer.

My 3 year old daughter received this in her Easter basket and has played the adorable song over and over again while she looks at the pictures. This is the song she always wants me to look up on YouTube, that's why I bought it. It's especially nice because I can change the batteries once it bites the dust from all the button pushing haha!

Love these books, and this one is no different! Great message, fun sound button. Little guy loves it!

My son loves this book and its song. The story is so cute and he listens to the song all the time. We love the VeggieTales and this book is one of our favorites!

The book itself is great and super cute with the song. However it arrived damaged and all the pages were stuck together. I sent it back for a refund. I will be very disappointed if they don't resolve this issue.
