Learnt a lot from this, quite surprised at how useful hydrogen peroxide actually can be! Loads of ideas for how to use hydrogen peroxide around the home and how to save money applying it to various tasks, plus the practical side like where to buy etc Good little resource to file under 'home hacks

I knew some of these, but not all. Really interested in the laundry ones. I got red mud on a nice pair of shorts. Tried several products to remove , going to try this.

If you don't know what hydrogen peroxide is, what it does and how can you benefit from using it in many different ways, then this book will serve you great. The author does a great job with explaining, all the health, and home benefits that hydrogen peroxide can offer. Also, the action steps

at the end of this book were really helpful to put this information in action.

This book was a waste of \$8. Had no information in it that you couldn't find online for free!

I had no idea hydrogen peroxide came in so many strengths. Lots of tips for situations I wouldn't think of. Formatting and spelling seemed good.

Hydrogen Peroxide is a great introductory guide that gives you the straight facts. Definitely lots of things I didn't know! The author does a nice job explaining how to use hydrogen peroxide safely and effectively in your every day. Lots to learn and easy to follow - Good stuff!

Very informative for someone unaware of natural methods of home cleaning and healthy recommendations. I wish it had made little recipe inserts for each suggestion, though.

Not very well written, but the information seems valuable.
