Naomi Miller mixes up a batch of intrigue, sprinkled with Amish, Mennonite, and English characters, adding a pinch of mystery and a dash of romance! Naomi works full time as an author, blogger and inspirational speaker. She is a member of the American Christian Fiction Writers (ACFW) organization. When she's not working diligently to finish the next novel in her Sweet Shop Mystery series, Naomi tries to make time for attending workshops and writers conferences. Whenever time permits, Naomi can be found in one of two favorite places the beach and the mountains. Naomi's day is spent focusing on her writing, editing, and blogging about her experiences. Naomi loves traveling with her family, singing inspirational/gospel music, taking a daily walk, and witnessing to others of the amazing grace of Jesus Christ.

Christmas Cookie Mystery books 2 of Amish Sweet Shop Mystery kicks off with Katie Chup and Travis Davis decorating the bake shop for the holidays. Tis the Christmas season and Katie will be busy as she prepares her delicious sweets for that customers order for their holiday menus. Katie and Travis enjoy being with each other . Could there be a romantic interest between this English boy and young Amish gal?I enjoyed the warm glow of love through out the story. As Katie's Amish family and neighbors continue to help the Davis Family who are down on their luck and barely getting by, we see the love and kindness pour out of the community of Abbott Creek. I also enjoyed a hint of mystery early on in the book. Then we are left with a special mystery at the end of the story that is really an answer to katie's prayers.I gave this story 5 stars as I felt the love radiating off the pages and into my heart. Before each chapter Naomi Miller includes a recipe for a Christmas goodie that perhaps Katie might have baked for the shop during the holidays. My personal favorite was the fudge recipe.I look forward to reading many more of Naomi Miller's books in the future. Book 3 of Amish Sweet Shop Mysteries will be The Lemon Tart Mystery. If you read Amish Fiction you will want to read Christmas Cookie Mystery.

This is another quick and light-hearted, wholesome mystery, but it is filled with good recipes. I liked it even better than her first book.

Enjoyable Reading

Christmas Cookie Mystery (Amish Sweet Shop Mysteries #2)By: Naomi MillerChristmas Cookie Mystery is book two in Amish Sweet Shop Mysteries Series By Naomi Miller. This is a wonderful mystery to be reading this time of the year. I read the first book ,Blueberry Cupcake Mystery and could not wait to read Christmas Cookie Mystery . I would recommend that you read Blueberry Cupcake Mystery first. It has been good to go back to Abbott Creek with Katie and the Sweet Shop . I love the characters showing their faith and forgiveness. Everyone loves Katie's special deserts and all the good treats. Between all the baking is Katie going to have time for the family? By the way, there is some mystery in Christmas Cookie Mystery. Can it be solved?I was given a complimentary copy of this book, but was not told that I had to give a positive review. All opinions are my own.

Christmas Cookie Mystery, book two in the Amish Sweet Shop Mystery series, by Naomi Miller was a delight to read. I couldn't put the book down until I read the last page. Christmas Cookie

Mystery shows the true meaning of giving at Christmas time, which should be shown throughout the year. The residents of Abbott Creek are generous and forgiving toward all. There are recipes at the end of each chapter which is a bonus and perfect for making this Christmas season. I was delighted to return to Abbott Creek with the residents I had fallen in love with while reading Blueberry Cupcake Mystery, book one. There is Katie Chupp, Amelia Simpkins, Andrew O'Neal, Travis and his family along with others. Katie and Travis are working on a project together with Katie questioning if she'll be spoken to by the Bishop as the story opens. While working on this project Katie was surprised to find something in a closet in the backroom, which was so unlike her employer Amelia to have at the Sweet Shop. Will the residents be surprised and appreciate the efforts of Katie and Travis? What and why did Amelia hide something in the closet at the Sweet Shop? Is she planning on giving it to Katie or someone else that comes to the Sweet Shop? Katie wants the best for everyone and with Christmas approaching; Katie notices Amish and Englisher visiting with Travis' family more after discovering their needs in book one. Katie wants everyone to have a beautiful Christmas and she is thrilled with all the orders at the Sweet Shop she is receiving from customers. Will Katie be able to fulfill all the orders? How did the residents react to the endeavor Katie took to make Christmas special for everyone entering the Sweet Shop? Readers will appreciate Naomi Miller's writing with Christmas Cookie Mystery. The story is filled with family, friends, forgiveness, faith, love and hope. These are the perfect combination for all to have a Merry Christmas with blessings from God in Abbott Creek. Oh yes, there just may be some romance, too. I look forward to more great cozy mysteries from Naomi Miller that is filled with faith, love, family, forgiveness and friends reaching out to one another without expecting anything in return. The world would be a better place to live if this was happening in communities today. I highly recommend readers purchase book one, Blueberry Cupcake Mystery to read prior to reading Christmas Cookie Mystery. The readers will appreciate the characters more knowing what transpired in Abbott Creek for the July 4th celebration. I received a complimentary e-book of Christmas Cookie Mystery by Naomi Miller. I was not required to write a review but have shared my honest opinion of this delightful cozy mystery.
