Gotta love when a wolf and a fae have to decide who is right in the love for the same woman. Add in a mystery to work on and this is a good side book for the series

Fae Dominance is a novella starring Kale and Puck. Dia is sick of their fighting; she's had enough of

their fight for male dominance. Her office can't take anymore and neither can she. She's going on a date with Daniel and tells the other too to fix things between them; talk it out, fight it out, make out. Do whatever they need to do to get the fight out of their system or it's over. Mates or not, she won't put up with this behavior any longer. So that's exactly what they do. Robin is scared. He can't lose Dia or his other mates. In desperation he takes Kale into Faery where time moves differently. This will allow him to get through to Kale and his wolf, make him see that they are true mates to each other and Daniel, every bit as much as they are with Dia. This book comes with a warning: For Mature Adult Audiences. Contains language and actions some may deem offensive. Sexually explicit content. Group sex, orgies, BDSM, and MM scenes. If it's not your thing, skip it and go directly to book 3. You won't miss any story. However, if you do enjoy a bit of the naughty, this book delivers. It is provocative, sexy, lusty. It's also emotional and touching. I love the connection found between these two beautiful, dominant men.

I can not tell you how much I LOVED that Robin and Kale got their own book! *squeeee*. I admit at first I was not liking that Robin was trying to dominate Kale. With Kale being a Wolf King Alpha it was rubbing me the wrong way that someone was trying to dominate over him but I have to say the way JB Miller wrote that scene was just so heartbreakingly beautiful! I literally teared up with Kale emotionally surrendering and Robin being so gentle and loving. For me this is one of those books that will stick with me for awhile.

This book is a little flash into Robin and Kale 3 week romance in Faery. I was really excited when I found that this was the next book in the series because that was I was so curious on what happened there. I'm really glad that she did give us that view because it showed the depth of their feelings for each other and them being mates themselves. Please note: This book is completely MM and some BDSM in this book. Loved it! Thank you JB Miller, now im stingy... CAN I GET MORE??
