Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Book was exactly what we needed. The only reason for 4 stars is wishing they included a heavier/more protective cover for the book. Otherwise, it was exactly as it is supposed to be.

I really only liked some of the solos in this book, but the ones I picked were really good.

I have had this book since 7th grade (30 years ago) and it still holds up today! The solos move from easy to challenging allowing you to develop as a bassoonist!

This is (as the title suggests) an excellent book for intermediate to beginning bassoonists. My studio teacher used solos from this book when I was just beginning to play bassoon (in 7th and 8th grade) I would suggest this collection to young bassoon students and to band directors that are fostering young bassoonists. I especially enjoyed playing "Romanze" and "Arioso and Humoresque". These solos introduce technical elements and style markings as well as require the bassoonist's range to be extended upward (there is an A3 in the above mentioned "Humoresque") At the same time the collection offers solo's that are lyrically challenging to beginning players (such as the "Reverie" from "Two Sketches". The accompanying second sketch offers a metrically challenging "Peasant Dance") This is well worth any bassoon teacher's or band director's money. This collection will help young bassoonists master works like Phillips's "Concert Piece" and Bordeau's "Premier Solo"

I have never owned an actual bread product before but since I have started making my own bread, none of the knives I had were long enough to do a good job so I ordered this one. It is amazing. It's long enough for any loaf you may need it for and absolutely no difficulty is creating a smooth, even slice of bread. I would recommend it to anyone who is thinking of getting a good bread product. send it to my grandmother, have a good experience. as described . fine.

Received a cd, a book for the bassoon and a book for the piano. Perfect for learning how to play the pieces with or without an accompaniment. For our beginner son.
