I really like your books. Only in the last update there are shulkers. They shoot stars at you that really really hurt. I'm interested in your books. They always have a happy ending.

Loved the main story and characters and his friends. Sad yet great story and I loved all the scenes!
Awesome!

This is info for a nooby reviewer, Misty. Some people may be confused but its for minecraft snapshot 1.8. a shulker is a block and a mob. its like a turtle except a square box covering this mob completely. it puts a effect called levitating a new potion effect for 1.8 minecraft snapshot.it lifts you in the air while you are in mid air it shoots particles damaging you pretty bad.then you drop taking extra damage. only to kill them is when their shell is open. they hid in the end, but a different dimension in the end.the shulker hids in the ender fortress. check captain sparklez 1.8 snapshot review on Youtube. after when you kill the ender dragon it opens a rift in mid air with bedrock surrounding it except for one block. throw a enderpearl in there and you get teleported to the new dimension in the end.Thats enough learning now PEACE OUUUUT.-Power

First of all, I know snulkers are common today. But this book was published almost along time ago. And minecraft1.9 added almost everything! Ok, review time!He was actually a cloud! but he broke the law helping his friend. So he became a snulker. Buthe did enough good needs so he became a cloud again. WELL THAT IS IT FOR TODAY! This was a sad and good book. I am a minecraft lover so these books that Crafty Nicole writes are very important to me. All of her books that i have read are awesome!! SO IF YOU HAVE NOT READ IT YET YOU SHOULD READ IT!!!!!! It is worth it. :) Thank you Crafty Nicole for using your time to write these amazing books for us. :) :) -lvy

This was interesting because I played minecraft yesterday, but I haven't played it for a few days before that. Well basically during those few days of inactivity, minecraft updated to 1.9, and so yesterday I was playing 1.9, but I had no idea I was XD! I was just playing a minigames server... so I basically just read a book about a mob I've never laid virtual blocky eyes on before! The only thing I've ever seen of a shulker is the cover of the book. Later today, when I play minecraft, I'll make sure to meet stratus :P
