PreS-Gr 2 "This story illuminates the fantasy world of one little boy and his favorite toy, Captain Magma. Together, they are Lava Boy and Captain Magma, an unstoppable duo committed to rescuing others, setting a good example, and being brave in a world that doesn't always understand them. The book does not have a traditional narrative. Rather, the 10 rules of being a superhero provide the framework for the story and much of the humor. The gouache illustrations are colorful and engaging, and children will enjoy the humorous speech bubbles throughout. From responding to a call for help and using one's powers for good to having tasty snacks on hand to keep in top form and saving the day, these rules will appeal to young superheroes (and their sidekicks) everywhere." Sally James, South Hillsborough Elementary School, Hillsborough, CA

âœThis story illuminates the fantasy world of one little boy and his favorite toy, Captain Magma . . . will appeal to young superheroes (and their sidekicks) everywhere.â•â•School Library JournalâœPilutti has painted every toy a child could want: robots and monkeys and a green troll with hair like a firecracker . . . The illustrations of the playroom are the highlight of the book.â•â•Kirkus ReviewsâœInstead of opting for braggadocio and mock high drama, Pilutti's duo's self-awareness and low-stakes theatrics have an offhanded, almost improvisational vibe.â•â•Publishers Weekly

My three year old nephew is obsessed with superheroes, so this was the perfect Christmas gift for him. He couldn't wait to start reading it. The pictures, the writing, very engaging for the pre-school set.

What an adorable book. Great purchase to go with a superhero costume :)

This is a wonderful addition to any child's library. My son loves it! Speedy delivery and great price vs scholastic.

Loved it!! It really helped in our reading of Dex:Heart of Hero and having students create their own superhero and graphic novel page!

This is too cute! Perfect for my nephew (6) who already has every super hero gadget, toy, and costume he needs. His mom loved it too.

I purchased this book for my preschool students during our superhero week and they absolutely loved it!

My kids love the book! I have read it to them at least 100 times. It is one of those books that your kids want you to read it again and again.

My nephew loved it
