## Customer Reviews

Fantastic basic book with wonderful recipes! The recipes are sorted by type, depending on what you want your shakes to do for you (high protein/post-workout, weight loss, detox, etc.). Well organized book.

Interesting to thumb thru the pages, but range of unusual ingredients is a little overwhelming. Best to go by your own taste and instincts to make up your own ingredient list.

Item as described. Great product

I was not really happy with this book; I thought it was a companion book to the Nutri Ninja blender but it is not.

Great way to start out using the Ninja.

Excellent price.

Bought this with the Nutri Ninja, and has some really good recipes in it!
