"This week we're...drooling overÃ¢ Nutella: The 30 Best Recipes, which demonstrates how that staple of hazelnut chocolate spread can be used to create mouthwatering macaroons, cheesecake, terrine and milkshakes. Makes a nice change from us just dipping our fingers straight into the jar."

My wife is all about nutella so this book was a hit. Her favorite so far is the smoothie. I hope she tries them all. Now, ladies I know the above my sound like I am saying something like get back in the kitchen or whatever... I am not. I love to cook, I just am not such a huge Nutella fan. I mostly cook

actual food. :)

Who doesn't love Nutella, right? The book was interesting, but none of the recipes really impressed me or were that creative. Most you could've already assumed you could use nutella on. Would've liked to have more non-traditional nutella items. Great novelty item.

my boss ate this entire container and i got a bonus, great product

Great gift... they loved it!!!

I gave this as a gift to a young lady who loves Nutella. She was thrilled and couldn't wait try the recipes. The book is darling and is cut in the shape you see. It is slightly padded and opens from the "lid" end. Pictures throughout. I recommend it as a fun little gift.

Delicious recipes!!

gifted it to a nutella fan. they were happy with it.

Can be done by my 11 year old who is extremely happy with this book and loves Nutella. But who doesn't?
