Jason Fulford: The Mushroom Collector

1. It started when Ted gave me the mushroom pictures.

Synopsis

This publication reissues a beloved photobook classicâacknowledged as such by Martin Parr and Gerry Badger in the third volume of *The Photobook: A History*âthat has been out of print since the hardcover edition was published in 2010. As photographer Jason Fulford (born 1973) recently learned firsthand, mushrooms have a way of growing and spreading wherever they touch ground. It all started when a friend of Fulford's gave him a box, found at a flea market, full of photos of mushroomsâunassuming pictures taken by an unknown but almost certainly amateur photographer, apparently as notes for some mycological studies. Fulford's art photographs (aside from his well-known book *Dancing Pictures*, which depicted people getting down to their favorite songs) are usually of staid, quasi-mute objects: a smashed Dorito chip overrun with ants, two bronzed doorknobs spooning, the blank back of a street sign. Yet these mushroom images got stuck in Fulford's mind, like a bad song sometimes does, and they started to grow in his own work. *The Mushroom Collector* combines some of the original flea-market mushroom pictures with his own images and text by the artist about the project.

Book Information

Paperback: 192 pages

Publisher: The Soon Institute (November 30, 2014)

Language: English

ISBN-10: 9081058460

ISBN-13: 978-9081058469

Product Dimensions: 0.2 x 5.2 x 7 inches

Shipping Weight: 6.4 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 2 customer reviews
