The best dessert and main-dish pies in the country. Includes 700 recipes. Some of the recipes include Country Blueberry Pies, Custard Pies, Popcorn Ice Cream Pie, Frosted Ice Cream Pie, Brownie Pie, Apricot Pie a la Mode, North Pole Cherry Pie, Pumpkin Pie Alaska.

The Farm Journal's Complete Pie Cookbook by editor Nell B. Nichols is a complete and comprehensive pie cookbook. Nichols cookbook contains a whole chapter devoted to pie crusts followed by varying pie recipes using the pie crust recipes. The recipes range from sweet to savory, and from pies to tarts. Some of the recipes you will find in this lovely cookbook include:Regal Cherry PieFrozen Orange PieOatmeal PiePumpkin Chiffon Tarts (Uses raw eggs but this is an old cookbook before the USDA recommended not doing this)Concord Grape TartsDeep-Dish Ham PieRecommend.Penmouse

This is a great, old-fashioned pie cookbook. There are hundreds of recipes for all kinds of pies. There are a lot of \*chiffon\* pie recipes, but even if the thought of those makes you uncomfortable, there are plenty of other recipes in the cookbook, as well. There are literally pages of rhubarb pie

recipes (for instance), as well as multiple green tomato pie recipes, etc. If you like pie, this is a cookbook to seek out.

The book is the size of a regular paperback book. 7"x4.25"x.75" and the print is about the same size. Ch1 is info about pies, but a pie recipe doesn't start until Ch 2, pg 18. The last recipe ends on pg 372. And Glossary ends on pg 388, so you can tell that there are plenty of savory and sweet pie recipes, to include a chapter dedicated to just pie crusts. Many of the recipes of this generation included shortening. This book is no exception. So, adapt to your preference. Just thumbing through the book, I see a Pork and Apple pie that I think I'll make first. There is a Pineapple-upside-down pie (new to me) and several Pear pies that bring back childhood memories. I notice a Grated Sweet Potato Pie and several versions of a Green Tomato Pie.

My family loves pies. I have made about 7 different types of pies from this book and all have been very good. The book is a bit dated but I find that as part of its charm.

I got my mother another of this cookbook, as her copy was falling apart - after 30 years of hard use. My mother has had this pie cook book since I was a little girl, and she is an amazing pie maker. My mother has imparted to me her tricks of the trade and a lot of her base recipes come from this classic cook book. These recipes taste great and have simple instructions, and come out good every time. I have picked up pie recipes here and there, and tried other cookbooks but this is the classic standard cookbook that every serious pie maker should have. The recipes themselves come out great and they are such that you can tweak it here and there, if you want, to put your own signature on it. This cook book covers a comprehensive range of different kinds of pies. Highly recommend!

IF you love pies, you'll love this recipe book. It is full of some really great pie recipes. I have purchased several copies of this book for family members. The book, pie plate, pie pan, and gift basket or bow, makes great holiday gift. Or wedding gift for the newly married!!

This is my 3rd copy of this book. First was given by my mother when book was new. Got so ragged, was held together with rubber bands. Much loved, several recipes have become staples for holiday dinners. 2nd copy was confiscated by house mouse (just disappeared), so had to get a 3rd. Cannot live without this pie book. Most especially the Best-Ever Lemon Meringue (pg 124) and Snowstorm

Squash (I used pumpkin) (pgs 113,114). Wouldn't dare show up for Thanksgiving dinner without a pie and they all come from this wonderful book.

My father had the first addition of this book which was passed on to me. This book is the second addition with the same great recipes as the first addition. It was a Christmas gift for my son.
