The Lieder Anthology High Voce Ed. V Saya And R. Walters, The Vocal Library

Synopsis

(Vocal Collection). This edition presents 65 diverse songs by major composers of German art song, or lieder, and is the perfect one-volume lieder source for voice students. All the songs are new Vocal Library editions. Historical notes about the relevant history and background of each song are included, as are line-by-line translations for study. A select committee of experienced voice teachers was consulted to choose the most essential and vocally instructive songs in compiling this collection. Composers represented: Beethoven, Brahms, Franz, Gustav Mahler, Alma Mahler, Fanny Hensel, Mendelssohn, Mozart, Schubert, Clara Schumann, Robert Schumann, Strauss, Wolf. Co-editor Dr. Virginia Saya, on the faculty of Loyola Marymount University, is a musicologist with a special interest in lieder. This collection includes the first American edition of *Fünf Ophelia Lieder* by Brahms. 288 pages, sewn binding.

Clean cut, and to the point. The book did not, however, come with the CD, as some editions do. Each song is preceded with the lyrics and poetic translation, and there is a short paragraph on the history of the song. Both composer and poet are listed, as well as the date that the song was written (if known).

Good songbook for to start in the German lieder.

Great!

This book is full of German lieder, romantic songs. The words are all in German, but the poems are in English translation, so that you know what you are singing if you don't read German. The music is lovely! This is a good edition!

I bought it for my wife. She teaches voice. She said she liked it but did not completely meet her expectations.

Standard,

This collection has over 60 German Art songs by 13 composers (from F. Schubert's masterpiece

"Gretchen am Spinnrade" to A. S. Mahler's "Laue Sommernacht"). Right below the title of each song is a brief description/history of the song: the poem it was based on, the poet, etc. The lyrics have a line-by-line English translation right after the description. And just like The French Song Anthology, the first bar of each line is numbered, perfect for rehearsals with a pianist. This was ordered for me because I'm a soprano. I may be done with my diploma, but this is perfect for brushing up and expanding my German Art song repertoire. At over 30% off of its original price, and with free shipping, it's a no brainer! It may have arrived later than usual because of the chosen shipping method, but it was well worth the wait!
