Kids love it

What a great Christmas gift for my 7 year old granddaughter...we really enjoyed reading the "Mind-Bending, Totally Awesome Trivia Questions" to each other...much laughter while learning

new things. Now I know one of the reasons why kids these days are so much smarter than I was.

My 7 yr old loves it!

Really fun book with lots of facts in it. Our kids love asking the questions and seeing who knows the answer in the house. Educational and fun which is a win all around.

The book is really great but the answers are printed unbelievably small needing a magnifying glass to read them, especially the ones printed on dark blue paper.

I enjoy reading the questions in this book and sharing them with my grandchildre.
