Much better than I expected

I am so pissed. My son bought this for me for Mothers Day. Ten of the pages were one size. Ten pages were a different size. The rest of the pages in this book were a totally different size. This book looks like someone printed it at home.

Such a unique idea for the book, I have never seen anything like this before! I love it, will buy more of these in the future, and recommend to everyone.

Very interesting book!
