Best Sellers Rank: #1,115,306 in Books (See Top 100 in Books) #69 in Books > Children's Books > Education & Reference > Foreign Language Learning > Italian

## Customer Reviews

This is written for children but I often find that the easiest way to learn something new is to try the children's version. The book is charmingly illustrated and easy to use. It arrived in great condition and very quickly.

How to pronounce each word is written in the back, and not on the word in the book as you read along to the word and image. That makes no sense why they wrote this book this way. Anyone recommend a better alternative I'm all ears, but for Italian this is all I could find for my 3 year old

I LIKE THE WAY THIS BOOK BREAKS DOWN THE WORDS TO CERTAIN SITUATIONS OR LOCATIONS. THE ASSOCIATION BETWEEN THE PICTURE AND THE WORD IN ITALIAN IS CLEAR

Only 4 months now but she will be guiding us through Italy in another 8 years! cool pics and well laid out.
