Revelation Unveiled: Understanding The Heart Of Jesus In The Imminent Day Of The Lord

Synopsis

Updated Edition: Parts I & II Sadly, many commentaries on Revelation ignore the need to have a clean heart in order to survive whatâ€™s coming. In this edition, we dig deep into the signs, the wonders, and the genuine Christianâ€™s role in the soon-to-be-fulfilled book of Revelation. We even go back to the prophets to help clarify what is the most important message to Christians today. The book of Revelation should be of intense interest to todayâ€™s Christian. It describes not only the persecution that originates from Satan, but also announces the day when God will intervene and cleanse the earth. This is definitely something to look forward to if we are right with him. Not so much for those living for themselves.

Russell Stendal, a former hostage of Colombian rebels, is a lifelong missionary to that same group in the jungles of Colombia. He is an influential friend to military and government leaders in Colombia, Cuba, Mexico, Venezuela, and the United States. Russellâ€™s ministry shares the gospel via twelve radio stations, hundreds of thousands of Bibles, books, and movies distributed through airplane parachute drops and numerous speaking engagements for groups of leaders, prisoners, and individuals. Russell goes wherever the Lord leads, whether itâ€™s to speak with a president or to go deep into the jungle to help an individual in trouble. He has witnessed thousands commit their lives to Christ.

I have longed to understand the "mystery" some claim to understand. Yet there books leave me with more questions than answers. This writer Russell Stendal wants to share his understanding of this great mystery. I hope to read more of his work and be blessed. May you receive the same joy!

I like the way it takes you through the Bible verses from the new testament to the old and goes into detail each part of Revelation.

Very interesting and researched view of Revelations. I am still reading through it, but have recommended it to my friends.
