Disney Beauty And The Beast Cinestory Comic: Collector's Edition

Synopsis

Be our guest and join the bright, independent Belle in an unforgettable tale of love and adventure. On her journey of self discovery, Belle sacrifices her freedom to save her father and finds herself in the castle of a prince who's been turned into a mysterious beast. Secluded in the castle, Belle befriends the enchanted staff and ultimately the Beast as well, and learns that true beauty comes from deep within. Experience the timeless Disney classic in a whole new way with this gorgeous graphic novel companion to the film. Featuring over a thousand frames from the movie and lyrics from all the iconic songs, the Disney Beauty and the Beast Cinestory Comic will transport you to Belle's captivating world.

Headquartered in Glendale, California, within the Disney Consumer Products and Interactive Media business segment, DPW publishes books, magazines and digital products in 85 countries in 75 languages. For more information, visit disneypublishingworldwide.com.

I love Beauty and the Beast and was totally disappointed in the quality of this book. The pictures thru

out the whole book are very dark. Unless they do something to brighten the pictures, I would recommend not wasting your money on it.

Pictures are dark and print is tiny. Too bad, because it seemed perfect for struggling readers were it not so poorly printed.

They aren't kidding when they say pictures are dark. The entire book is dark, even the "lighter" pages are what would be considered dark for other illustrations. It's like watching tv on the lowest brightness setting. Major disappointment!

A cinestory is simply screenshots of the film with the dialogue added in, comic style. Unfortunately, in this case, the pictures are too dark, making everything difficult to see. To make matters worse, the book is printed using pulp paper; the kind comics used to be printed on in the 80's before they switched to glossy paper. This makes everything look low res and even more blurry than they actually are. In the current state, this book is a solid miss. Hopefully Disney/Joe Books will consider using glossy paper and remaster the picture for the hardcover coming out later this year.
