SOFT COVER 2010 EDITION

A must have for all nurses.

Great

This book did arrive in good condition and is being used in class. I recommend this book for anyone who is interested on keeping abreast of the current issues in nursing. Thank you, J. Felix

Arrived perfect!

This is a required textbook for a class. Most of it is clearly written. Not worth keeping since the information for the NP role is evolving and will be different in future years.

excellent

Great resource.
