The Power Of One: Young Readers' Edition

Synopsis

Born in a South Africa divided by racism and hatred, little six-year-old Peekay learns that small can beat big. Armed with this knowledge, he resolves to take on the injustices of his country, and sets his heart on becoming the welterweight champion of the world. Peekay starts to take boxing lessons, makes new friends, collects cacti, and plays the piano. Above all, he learns to think with his head and then with his heart. Peekay discovers that nothing can defeat the determination to be true to yourself: This is the power of one.

Best Sellers Rank: #8 inÂ Books > Teens > Historical Fiction > Africa #426 inÂ Books > Audible Audiobooks > Nonfiction > Reference #9510 inÂ Books > Teens > Literature & Fiction

Customer Reviews

This book is really inspiring. I have read it several times, and enjoy reading it again. It always lives up to its title. I read many books about Africa and by African authors. Of course this is a standard in the genre and Bryce Courtenay is a favorite author for all those who love Africa. Real characters, and descriptions that make the story come to life are a hallmark of his writing. Younger readers will surely be inspired by the story, as well.

After reading this version, since the full book was not available on Kindle, I was hooked. I bought the complete book as soon as I finished the young adult version. As a heavy reader all my life, the (full version) is now my favorite book ever.

4 capable women who devoted their lives to a philandering man. Not a topic worth spending the time it takes to read it.

Great read. A true emotional journey in which i seemed to learn more about myself along the way. I started this book a curious caterpillar and ended a beautiful butterfly with silk, gossamer wings of enlightenment.

The rise of one little boy from being brutalized in kindergarten and told he was nothing to what he would become was amazing. I wish we all took advantage of what older people had to teach us like this little boy did.

Not as gripping as my recollection of reading the whole adult version 15 years ago. Hope for the angel to inspire a resolution of tensions in South Africa was not realized in the second half of the book. Wondering if this is why Courtenay leaves younger readers with the hopeful half.

This was a great book that was well written and thoroughly enjoyable. I had to continue reading the full version though. What a disappointment that does not offer the full version for the Kindle. The full version is a must read!

What possible justification could you have for denying your children the unabridged version of this book? The Power Of One is one of the best books you or your children could read. It deals with overcoming poverty, racism, classism. Everything I hope you teach your children to overcome and reach beyond. Let them read the full story, as Bryce Courtney wrote it, not the abridged young reader's antiseptic version.
