TETCH (Admirable Women Series Book 4)

Synopsis

Not a day goes by I don't think of her. I believe it would be hard for anyone to forget a woman like Tetch. Even in the dark I can still see her piercing blue eyes and full sensual lips, her smile, and her long wavy snow-white hair pulled back off her face. She's tall and leggy with a seductive curve to her spine and a sway to the way she walks, noticed mostly from behind. Her one shoulder is slightly higher than the other. Some would say it's from carrying the weight of the world all those years. More than likely it was from hauling one too many buckets of water. I don't think I'll ever forget the day she left either. She never even looked back. Trouble had a way of following her. When a valuable Thoroughbred racehorse is stolen from the breeding shed one stormy night, Tetch becomes the prime suspect in this infamous and mysterious theft. Though she is known far and wide as a renowned empath, even those who support Tetch begin to wonder. Why won't she defend herself? Why would she rather go to jail than tell the truth? And ultimately, where is Quantro? • Horse lovers and animal activists unite to root for Tetch all the way! • Heartwarming and real. • Wow! What a story! •

Customer Reviews

Tetch is a woman of principle. She is a good person who gives herself to friends, strangers and animals. When a valuable horse disappears, Tetch is the prime suspect. Sticking to her values, she will not divulge any information even though she faces imprisonment and a trial. I loved the people she helped and the experiences they shared. We should all have a Tetch in our lives. She makes the world a better place.

No wonder Ms Myers books are so popular. This is a light, fun read in a genre new to me. Her deep experience with horses and their world will draw you in, but you are also in for humor and building suspense that she cranks up to teeth-grinding urgency. TETCH will make you rethink honor, justice, cruelty, and heroism helped my magical powers. A delight for young and old.

This is an incredible read, one you're going to truly enjoy. The characters are the type of folks you want to know - or maybe you already do. Tetch is the type of character we all want to be. MaryAnn Myers, you've done it again! Thank you for this one - I've bought several and given them as gifts. Keep 'em coming!

What an awesome story, just awesome. I love Tetch, she's inspiring and real. I liked how the author told the story thru each character's perspective through interviews. I hope there will be more books to come.

I adored this book. So much about Tetch I related to. Even being Tetched at an early age. Don't miss this fun heart warming gem of a book!

I was involved with the characters from the first chapter! It has all the elements of a great horse story written by true horse person!

I thoroughly enjoyed getting to know Tetch and her band of earth mothers. I was engrossed from start to finish!

Good but I expected more
