Very nice and easy to follow for a beginner. My 10 year old grandson, who has never had a lesson, immediately sat down at the piano and played Amazing Grace. I had already placed the EZplay stickers on the keys. An absolute beginner will also need to get the letter/note stickers for the keys. It is a very good system.

Easy to read notes for chords and notes. Large letters inside notes and above for chording.

This is ideal for someone like me who hates reading notes. This is very easy, and I am satisfied with this.

Good book to learn to play worship music.

This book is just what I was looking for to use with the keyboard my kids got me for Christmas. Not hard but with the cords you can improvise as you want to.

A great book to use and play church music. Makes you sound good.

Easy to use already playing some hymns. As a beginner I just need to keep practicing!!!!

This book has some good selections of hymns, but it is a little more difficult than I expected for my young piano students.
