Book 2 and not disappointed. I don't know...maybe being a baseball pitcher in high school is why I love these books...but I can honestly say that these books grabbed me and wouldn't let go...had to keep reading and reading till done. I felt the same way about reading Grisham and Locke and all the Jack Reacher series twice...I guess good stories really get me! Thanks William Hazelgrove

My students are really enjoying Hazelgrove's books!

Just a little bit too much swearing in it not the worst swear word but mostly the a word and some others

Great detail working up to climax. Wish there was more follow through with Ricky at the end...but I can't wait for the next one.

Waiting for the next book.

liked this book it has a good storyline and plot but does there really need to be so much bad language
