The Complete Adventures Of Curious George: 75th Anniversary Edition

Synopsis

Curious George has delighted millions of readers for seventy-five years. Now fans can have all seven of the original Curious George titles in one complete volume. Stories included in this collectorâ™s edition are Curious George, Curious George Takes a Job, Curious George Rides a Bike, Curious George Gets a Medal, Curious George Flies a Kite, Curious George Learns the Alphabet, and Curious George Goes to the Hospital. This edition also includes an original illustrated map of Curious Georgeâ™s world, as well as a new scrapbook biography of H. A. and Margret Reyâ™s creative journey written by the historian Louise Borden. Includes bonus downloadable audio read by the actor, producer, and director John Krasinski. Access code can be found inside the book on page 2.Â

Customer Reviews

Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he studied philology and natural science at the University of Hamburg. He then married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious

George was published in 1941. Curious George has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS.

My grandson loves the pictures. As I read to him he takes in every detail of the picture. Curious George is his favorite character and the book helps us to not have to read the same story over and over.

Curious George is always fun. The 75th Anniversary book is a treasure. It has seven original Curious George books plus a map plus biographies of Margaret and H.A. Rey and downloadable audiobooks read by John Krasinski! Great classic stories to read to the grandchildren.

Adorable, my kids read from it all the time

We bought the book for our grandson. He was very excited to start exploring it. It was probably the best gift we could have purchased for him.

great book keeps kids busy for hours

This book is for my two young grandsons. They love to be read to. I plan to leave it at my home for their visits.

Classic kids stories that I grew up with, my daughter grew up with, and now my grand-daughter will grow up with.

Nice to have so many stories in one book.
