Cindy De La Hoz is a film and fashion buff inspired by the legends of the silver screen. She is author of the books *A Touch of Grace: How to Be a Princess the Grace Kelly Way*; *Lucy at the Movies*; *Marilyn Monroe: Platinum Fox*; and *Lana*, which Leonard Maltin reviewed as "one of the best books about a star I've ever read." Currently at work on a book about Elizabeth Taylor, Cindy lives in Philadelphia.

Nice book, but when I opened it the inside is torn. Not sure how this was missed as I thought it was a brand new book

Exactly what I was hoping for, each page a small tribute to a great and beautiful woman. It made a

terrific gift. Arrived quickly and exactly as described.

I was disappointed to find out that this book is primarily just photos with quotes from Audrey Hepburn. Might work as a coffee table book, but definitely not worth the money as a Kindle purchase!

The book just shows movie pics of her. . . .not her real life style that she exuded!!!! I'd say "pass" on the purchase.

Great book!

Great little book.

If you are an Audrey fan you need this! It would work great as a coffee table book! I can see myself reading this to my future children or chilling on the couch reading it to my boyfriend! The pictures are wonderful! Not really a "how too" or "biography" but very fun!

Who does not love the one and only Audrey Hepburn and nothing impossibly could go wrong when it comes to Audrey's advices.
