Home Cooking For Your Dog: 75 Holistic Recipes For A Healthier Dog

Synopsis

Home Cooking for Your Dog is the first holistic cookbook for dogs to include recipes for cooked meals, treats, and the raw food diet—a big trend in the pet industry. User-friendly, chop-licking recipes like Fido's Fishcakes, Potluck Polenta, and Peanut Butter and Coconut Cakes call for healthy ingredients you can find in your local grocery store (or may already have at home) to create balanced, nutritious meals for a healthier, happier dog. Headnotes provide nutrition information, cooking tips, and anecdotes from the author about her own four dogs to help readers transition their dogs to a homemade diet. Illustrated with a combination of irresistible color photographs of dogs and humorous line art, the book is a must-have for dog owners everywhere. A portion of the proceeds will support animal rescue. Praise for Home Cooking for Your Dog: "For those who have grown weary of mass-produced dog food, Home Cooking For Your Dog contains healthy recipes and diet advice for dogs."—LA Times "Jacket Copy blog" "Get your puppy the gift of a nutritious, home made meal."—Ladies' Home Journal "It's chock full of all sorts of goodness your dog will gladly gobble down."—Modern Dog magazine

I had been wanting to make my dogs food for a while now, but recipes I found online scared me away from it. They were all so complicated! I also read that if your homemade food doesn't have the proper nutrition a dog needs then it can be one of the worst things you can feed your dog. Between those two things I decided to stick with the kibble for a while. Then I stumbled on this cookbook. Hallelujah! The beginning of the book is full of great information like foods that are good/bad for dogs, how much to feed them, what supplements to put in the food to make sure you are meeting their nutritional needs, etc. Then the book is divided into cooked recipes, raw recipes, and snacks and the recipes are EASY. Some require some ingredients that you may not usually keep on hand (like quinoa pasta or chicken liver), but making a list beforehand is helpful with that. Most are about 4-6 ingredients total I would say. Now, after cooking my dog REAL food, I can't imagine going back to that disgusting kibble. Ew. Imagine eating hard, dry pellets everyday for your whole life and then eating beef stew... Could you imagine how good that would taste?? I will never make my dog eat that crap again.

Great book, my puppy is happy.

The book has some nice recipes which I made for my dogs

Book is exactly as advertised and arrived promptly. Thanks!

Easy recipes, healthy and nutritious

Family is trying to adapt some of the recipes to human use!

Ordered for my wife and she really loves the book.

I have already used it and my dogs love the results. Great book.
