Synopsis

\$29.95 hardcover 1-58685-173-X May 8 X 10 in, 144 pp, 140 Color Photographs, Rights: W, Design
Desert Style is cool living in hot climates. Based on the idea that a home should exist in harmony with its landscape, author Mary Whitesides shows how materials and textures reflect the land, and how desert hues and cooling tones can be used in beautiful and efficient ways. She discusses how to use flowing and open interiors, patios, and thoughtfully placed windows to extend living spaces outside, enhancing the relationship to the natural world. Desert Style is abundantly illustrated, and offers advice on every aspect of desert living, including building materials, space issues, heating and cooling systems, furniture, paint-even how to choose art that will complement a particular style like Old World Anasazi or High Desert Adobe. Desert Style also includes a section on landscaping and choosing plants for a desert environment, plus information on how to incorporate fountains and reflecting pools into landscaping to create a private oasis for any desert home. With 140 gorgeous full-color photographs of desert homes throughout the high Rocky Mountain deserts and the Southwest, plus a comprehensive resource listing, Desert Style will have everyone heading for drier ground. Mary Whitesides has extensive experience with interior design and home furnishings. She created some of the original interiors at the Sundance Resort and was one of the four founding members of the Sundance Catalog. She is the author of Mountain Style, and lives in Park City, Utah.

Eminent designer Mary Whitesides has designed everything from interiors and home furnishings to pottery and coffee mugs. Her Peruvian-inspired furniture collections are widely distributed and featured in museums, including the Boston Museum of Fine Arts. In addition, she was one of the four founding members of the Sundance Catalog and a partner in developing the Sundance look, as well as the author of *Desert Style*, *Mountain Style*, and *Wicker Design* for Gibbs Smith, Publisher. She lives in Park City, Utah.

This is exactly what I hoped it would be! It covered everything you could possibly want to know about wicker. Well written and the pictures are phenomenal. Don't hesitate, you will be pleased.

Very good condition used and very cool book!

This was also added to my design collection of southwest decorating at its best. This is a very enjoyable book I always look at this for more items for another project. Or just to enjoy what someone else has done to make their living environment lovely.

This book is EXACTLY what I was looking for. Perfect condition and rapid delivery. Excellent service.
