Mr. How Do You Do Learns To Pray: Teaching Children The Joy And Simplicity Of Prayer (The Mr. How Do You Do Series)

Synopsis

In Book 1 of the Mr. How Do You Do series, travel with Mr. How Do You Do as he asks: Is God too high above to hear me? Does He care what I have to say? Does He want to speak to me? Watch how his simple prayer: "Oh, dear Jesus, teach me to pray . . ." takes him on an incredible journey with his feathered friend Ruby Robin. Through beautiful illustrations and childlike communication, Mr. How Do You Do teaches children (and adults alike) that prayer is just as easy as a conversation with a friend. We serve a living God who wants to hear from us and communicate to us every day. If you've ever wondered how to communicate the importance and power of prayer to your child, Mr. How Do You Do Learns to Pray is a great resource to help you do just that. ABOUT THE AUTHOR: Kelly Johnson is a lover of Jesus. She's convinced that as children (of all ages) encounter His love and His character-in a relational way-their lives will be forever changed. Mr. How Do You Do is a whimsical, joy-filled teacher. Her prayer is that through his stories, many will learn invaluable life lessons and experience lavish love and boundless joy! ABOUT THE ILLUSTRATOR: Jan Hamilton is grateful for the opportunity and gift of art the Lord has provided, allowing her to be a part of the Mr. How Do You Do series. "He is the author and finisher of our faith. Everything I am and have is a gift from Him."

This is a beautiful Holy Spirit anointed book that my kids (ages 4 and 8) fell in love with the moment I started reading. I fell in love as well. Such a simple, precious way to help us all, children and adults alike, draw near to Jesus. God is going to use this book to pierce lots of little hearts and remind us all that He is our Friend. I couldn't be more delighted! And thankful!

This is a delightful book that teaches children (of all ages) that you don't need fancy words to talk with God.....It is just an honest conversation with our best Friend! I have had adult friends who also loved this book.

Probably the BEST children's book I have read on learning how to pray. Reading it to my grandchild it touched my heart as well. I will certainly be buying more as Christmas gifts. We look forward to more in the series. Please keep them coming.

A wonderful book to help children learn to pray with confidence.

This book has the best of both worlds. On one hand it is light and simplistic. It has wonderful illustrations that grabs and holds the attention of young children so they stay engaged. Likewise, the writing style does an excellent job of keeping it simple and yet adequately conveying the principles being taught in the book. Although this is written simply enough for a small child to understand, the principles taught in the book are valuable for anyone. I suppose that is why Jesus says that in order to enter the Kingdom of God we need to be like little children. I shared copies with my church for

their children's program, have copies for myself which my wife and I have read to our grandson on more than one occasion and I plan on buying more copies for other ministries. With that said, if you are wondering how you can help spread the Gospel in your community, you should buy a stack of these too!

Not only is this a fantastic book for children, but for people of all ages because there are many teens and adults who feel that they don't really know how to pray. If you love the Lord, then this sweet book will warm your heart and let you know how simple it is to talk to the Father! Ms. Johnson's spirit and adoration of Jesus builds throughout the book. The illustrations also make the book so friendly that everyone can enjoy each page. This lovely book will help children and others alike to seek a relationship with God that will last throughout their lifetime. I highly recommend this book not only as a teaching guide for your own children, but as a learning guide for Bible Studies, Sunday School, and other ministerial classes for Christians, no matter what the denomination. You will enjoy this book!

As a parent who spent hours reading to her children when they were growing up, I am so excited to have a book for children on prayer!!!! It is truly for any age with its heart warming message. I can not wait to share this book with friends, neices, and more. I plan to order the curriculum as I love to teach. I will definitely buy every book she writes for children. Plan to buy hardback for Christmas presents. What a refreshing, sincere, God lead book!

Already crazy about Mr. How Do You Do after hearing the first few completed books read by this gifted and child loving author. Kelly Johnson has pegged in an amazingly creative way what scores high in the heart of a child.... love winning out in life's everyday situations. It's rhythmic word usage and artistic renderings partner well to make this a fun loving read for children of all ages!
